My Dear Parish Family,

It seems like just yesterday that I wrote to the parish about my upcoming ordination to the Diaconate, in May 2002. Now almost 19 years later, I am writing to let you know that my time at OLL will be coming to an end, as my family and I will be moving to South Carolina. So much has changed over the years for our family and the parish. In preparing for the move, which will take place by the middle of February, I have been spending time reflecting on our time at OLL which began in 1986.

I remember the warmth and welcoming we felt and that is why we decided to become parishioners. We reconnected with Anne and John DeGuardi, who were friends of my parents at St. Martin's in Bethpage. They invited Celeste and me into ministry and their invitation literally changed the course of our lives. Fr. Joe Lukaszewski became our pastor and he invited us to become even more involved in parish life. It was Fr. Joe that asked me

to consider entering formation to become a Deacon. What I realized through these invitations and so many more, was that God has a plan for each of us and that He uses the people in our lives to help us to see the path He invites us to take. The Lord calls people to serve, but to hear that call we need to be open and we need help! I became a Deacon because of the love I experienced every day through my family life with Celeste and our kids. I became a Deacon because I grew up in a home that valued our Catholic Faith, loved each other and, through good times and bad, it was our faith that held us together. I became a Deacon because I was nurtured by this parish family's encouragement, love, and support.

It has been such a blessing for me, and my family, to serve as a Deacon at OLL. You have always been so kind towards me. We have shared so many moments with each other. We have walked together when we lost family members and helped each other. We have had so many joy filled celebrations through baptisms and weddings! You invited me into your lives and I am so very grateful because you helped me to experience God's love through your love.

There are no coincidences in our lives. The Lord brings each of us together because of His love. He knows that together we can help each other travel the path that leads us to Him! You have indeed helped me travel that path. Through your love and acceptance, my relationship with the Lord, my family, and all people, has grown stronger. My heart is sad knowing that this time together is coming to an end. I will always cherish and give thanks for my time at OLL and all of you!

Please keep my family and me, in your prayers and your hearts, and I will do the same for you! May we, as St. Monica asked of her son, St. Augustine: "Remember each other when we come to the Altar of the Lord!"

Love and prayers always!

Deacon Jack

DIOCESE OF ROCKVILLE CENTRE  
OFFICE OF THE BISHOP

January 31, 2021

Dear Brothers and Sisters in Christ,

Beginning Sunday, January 31, 2021 and continuing through February 6, 2021, the 35 Catholic elementary schools in the Diocese of Rockville Centre will participate in the annual national celebration of Catholic education: Catholic Schools Week.

The theme for National Catholic Schools Week 2021 is “Catholic Schools: Faith. Excellence. Service.” Schools typically observe the week with Masses, open houses and other activities for students, families, parishioners, and community members. Through these events, schools focus on the value Catholic education provides young people and its contributions to our church, our communities, and our nation.

This year, due to the COVID-19 pandemic, Catholic Schools Week will look a bit different. In lieu of the traditional open houses our schools have held in the past to meet with prospective families, the schools will be offering virtual open houses and one-to-one meetings with principals that will allow prospective families to ‘visit’ the Catholic school(s) of their choice from the safety and comfort of their homes.

This year, in spite of the pandemic, we have made significant progress transforming our schools through the Morning Star Initiative (MSI). Many elements of the Morning Star Initiative are already in place, like key academic improvements in mathematics, reading, and religious studies, which are helping students reach new potential. I am so grateful for the tireless dedication of the MSI team.

Working with the MSI team, Long Island’s Catholic elementary school faculty and staff continue to put the needs of the 11,626 students (nursery-8<sup>th</sup> grade) and their families first. From maintaining the continuity of instruction during remote learning when the Covid-19 pandemic hit back in March, to taking all of the necessary precautions to welcome students back into a safe school environment this fall, I am extremely grateful for the grit and determination demonstrated by our school community to address the academic, spiritual and social needs of our students.

Earlier this month, on January 4, 2021, we celebrated the 200th anniversary of the death of Saint Elizabeth Ann Seton (1774-1821), one of the great native-born American Evangelizers and champions of Catholic Education. Please join me in praying that Saint Elizabeth Ann Seton and Mary, Star of Evangelization continue to intercede for each of us, for our Morning Star and Department of Education teams, and for our principals, teachers, and staff. With prayers and gratitude for your efforts, I am

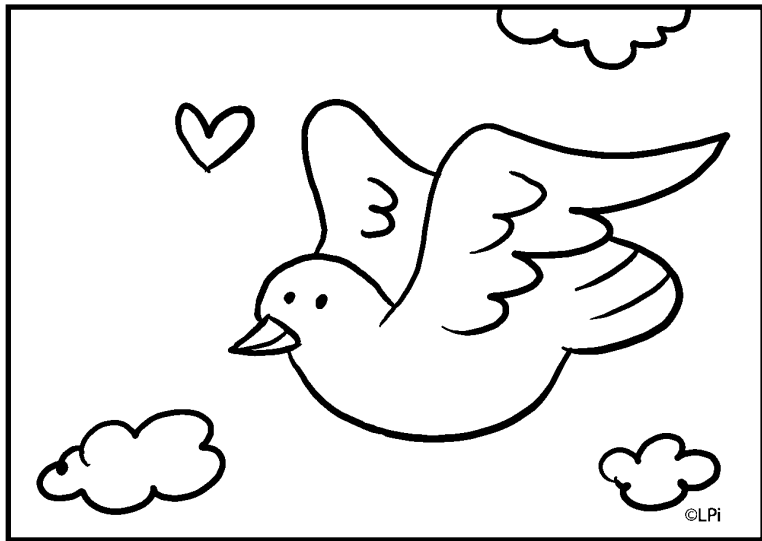

Sincerely yours in Christ,

Most Reverend John O. Barres  
Bishop of Rockville Centre

## Sharing the Gospel

Grass stains. Tomato sauce. Brightly colored fruit drinks. When these nasty stains stick to your clothes, it is tough to get them out. Regular soap won't work. You need something stronger. Jesus is really strong, too. In today's Gospel, a nasty evil spirit screamed when it saw Jesus. Jesus was so powerful, He cleaned that evil spirit right out.

## Mission for the Week

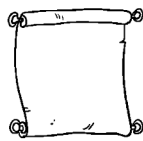

Make a new label for your family's stain pre-treatment bottle. Trace around the bottle, write Mark 1:21-28 in big letters, and decorate your label with a picture of Jesus. Tape your new label to the bottle so you and your parents remember how strong Jesus is.

### Puzzle

Circle the picture that starts with that sound.

## Prayer

**“AREN'T ALL FUNERAL HOMES FAMILY OWNED?”**

Unfortunately, the answer to that questions is No. Some funeral homes are part of the large conglomerate that may own thousands of funeral homes or cemeteries around the world. Some of these conglomerates could be public traded companies on the New York State Stock Exchange or the NASDAQ. Many of these funeral homes keep the name of the original owners and even add names of managers and executives of the conglomerate. Maybe this is done to keep the good will in the community and allow the business to operate like there was no change of ownership. Today, the funeral homes in West Islip and Babylon Village are owned by such conglomerates. We feel that family ownership is the foundation to superior funeral service.
